

Colonial Life Agent Candidate Pre-Contract Product Training

Prior to completing the contracting process, we invite you to start learning about our different insurance product lines. The below links will launch online tutorials that will give you an overview of our products.

<u>Accident Insurance</u>
<u>Dental Insurance</u>
<u>Disability Insurance</u>
<u>Life Insurance</u>
<u>Special Risk Insurance</u>
<u>Supplemental Health Insurance</u>

Click product line name to launch the online tutorial.

NOTE: After you are contracted and have access to the *My Colonial Life Propr* agent website, go to our [Product Training](#) page to study the **Product Reference Pages (PRP)** for each product, and take the **Basic Product Training** before you take the product mastery test. You **MUST** pass the product's mastery test before you can sell that product! Check with your sales manager to find out which products you should study first.
